

# Pupils across Academy Transformation Trust are celebrating their achievements!

At Academy Transformation Trust our ethos has always been about motivation and engagement as we strive towards our mission to provide the very best education for pupils, ensuring they leave our academies with everything they need to reach their full potential.

The Trust celebrates with its academies their continued excellent progress in the achievement of pupils. Congratulations to all the pupils and staff at our academies in gaining reward and recognition for their hard work and commitment over the year. This year's results have shown an even greater improvement and I am incredibly proud of each of our pupils, teaching staff, senior staff, governors and support staff, who who have made a critical contribution to improving their academy.

**Bernard Dickenson**  
Chair of the Trustees
