# Lead successful teacher progression and development in your school

- Gain a prestigious, government-backed qualification and make progress in your career.
- Lead the development of other staff in your school, through coaching, mentoring and designing the highest quality CPD programmes.
- Learn flexibly around your job with a blend of online learning, virtual sessions and local face to face workshops.
- Ideal for those who have, or are aspiring to have, responsibilities for leading the development of other teachers in their school.

## Benefits for you

A ground-breaking new course for those who have, or are aspiring to have, responsibilities for leading the development of other teachers in their school.

Our NPQLTD qualification is aligned to the Chartered College of Teaching's Chartered Teacher and Chartered Leader Status, providing a springboard for your next steps.

## Benefits for Participants

- Develop expertise in supporting initial teacher training, early career teachers as well as the wider development of all colleagues across the school.
- A blended learning experience which fits around your role where you learn and discuss key content online – no more sitting listening to presentations for hours.
- Local virtual and face to face sessions that focus on real problem-solving, creating understanding, connecting with your peers and gaining depth of knowledge.
- Ongoing preparation to give you confidence to pass the final assessment.
- Facilitation and support from serving school leaders in excellent schools and delivery at local venues.

## The course

A 12-month blend of flexible online learning, online discussion, virtual workshops and face to face workshops. This is followed by a 3-month assessment window where you will complete a 1500-word case study assessment to demonstrate your understanding of real leadership and change.

The course covers all of the core content in the **government's Framework** for this qualification and this is aligned with core themes around: effective communication, creating change, working with teams, managing yourself. Key areas include:

- Understanding the new, Early Career Framework and effective teaching.
- Designing effective professional development programmes and environments
- Delivering impactful training including coaching and mentoring.
- Creating effective change and implementation.

## Benefits for your school or trust

- A skilful and research-informed teacher development professional who can lead the golden thread of initial teacher training, early career development and ongoing professional learning.
- Practical capability to get on with the job of developing others with the skills to lead people and teams, creating change and impact.
- A professionally aware and informed leader who can make evidence-based decisions and approach leading teacher development in an effective and efficient manner.
- The ability to review and evaluate practice in order to bring about change and get the best outcomes for young people and staff within the organisation.

## Suitability

The course is suitable for teachers who have, or are aspiring to have, responsibilities for leading the development of other teachers in their school. They may have responsibilities for the development of all teachers across a school or specifically trainees or teachers who are in the first few years of their career.

“

*The course had a huge impact on my professional life this year [...] it reignited my desire to learn in an academic sense”*

“

*One of the most powerful things about it has been that I feel empowered, by knowledge, by understanding and to enact change [...] crucially, ensuring a shared purpose with a strong focus on student outcomes must be central, to provide colleagues with the same empowered feeling”*

## Booking information

### Cost

The course fee is **£889**.

Some participants in state-maintained schools in England may be eligible for full scholarship funding from the government – details will be available soon.

### More information

The Teacher Development Trust is an internationally leading charity in the fields of staff development and school improvement through people development. Founded by practising teachers and leaders in 2012, we've helped hundreds of schools and leaders to create lasting improvement.

The Academy Transformation Trust Institute is the people development arm of the Academy Transformation Trust, serving the learning and development needs of all stakeholders: colleagues, children and young people, parents and carers and the wider community.

We empower all through equality of opportunity and place the needs of our people and the communities we serve at the front and centre of all we do. We believe we are better together and value collaboration within and beyond our organisation.

We are resolute in our determination that ATT People Development activities will be the very best professional learning our stakeholders have ever had. Through high-quality people development, we will transform lives and communities. The Academy Transformation Trust Institute has recently published a book with John Catt Education: *'Letter to my NQT Self'* for early career teachers and mentors.
