

Welcome to our first Initial Teacher Training bulletin!

We're thrilled to have you on our programme. Our ITT bulletin is designed to give you a helpful overview on the next steps of your application journey. We'll be sending you more updates in the run up to your programme start in September, so watch this space!

Katie Pattinson
Deputy Director of Institute

Your Pre-Flight Checklist

There's lots to do before your programme starts...

Upload Documents

Upload your proof of eligibility to Ambition's MyTeacherTraining portal for review

Complete Your Online Tests

You need to complete online tests in Maths, English, and your chosen subject. These help us allocate additional support to candidates, but don't worry, they don't affect your place on the programme

Apply for Your SKE

If we've asked you to complete an SKE, you'll need to apply to an SKE provider. Do this as soon as possible, as funding for these courses is limited- follow the guidance on MyTeacherTraining

References

Upload details of two referees to the Ambition portal to be verified

Occupational Health Assessment

You'll soon get an email from Corazon Health (NoReply-CorazonOH@cority.com). Keep an eye out for the email and complete the assessment as soon as possible

Complete Your DBS

Ambition will be in touch from the summer to help you complete a new DBS certificate (old certificates will not be valid)

Overseas Checks

Where applicable, you'll need to apply for an overseas criminal record check. Find out more in MyTeacher Training under Pre-Programme Checks.

Dates for Your Diary

We'll be sending you an invite to our online welcome event very soon! You're automatically allocated a place, so please let us know if you won't be able to attend.

Online Welcome Event
